Dear Hiring Team,

I am aware, through online posting, of the System Administrator position now available at your company. Please accept this letter and resume as my official application expressing interest in this position. I have worked in this field for the past 20 years and I am confident that my skills and experience aligns with the requirements for being successful at this job.

My personal attributes include excellent interpersonal and communication skills, the ability to pay close attention to details and take ownership for mistakes and learn from them. I am energetic, self-motivated, and proactive. My creative mindset brings out of the box thinking to the table with the ability to look at problems from various perspective and produce creative solutions.

I am confident that a meeting would be in both our interest and would be grateful for the opportunity to discuss how my qualifications will contribute to your team. Please contact me at (785) 431-5684 for an interview.

Sincerely,

Joey Embers
